DESIGNER NOTES

One of our distributors asked us to design a bench specifically for a tender they were awarded. The tender, however, had specifications that did not match any of the benches we had or at the required price point. We took on the challenge and came up with this design. The Aylesbury bench borrows design cues and components from a couple of our other benches allowing us to maintain a comfortable, stable seating surface while at the same time capitalizing on reduced fabrication time and material cost. The bench's name comes from an English town where the distributor's family lived before immigrating to Canada.
