Single Seat vs Three Individual Seats

Skate Blocks

INST-1-BTC Stainless Steel Bolt-Down Kit (Set requires 4 kits)

DESIGNER NOTES

This concept was a direct request by one of our community partners who wanted a creative solution for a higher seating profile so that people could sit and look over handrails (see installation gallery photos). The result was this clever pairing. Enjoy the surroundings from this unique elevated bistro stool and small functional table surface. Books, laptops and coffee cups are welcome! Custom seating heights and lengths are available.

AVAILABLE RECYCLED PLASTIC LUMBER COLOURS

Black Grey Redwood Sand Walnut
