## DESIGNER NOTES

First there were the Adirondack and the Ontario-made Muskoka chairs and now there is a new star shining from the west-the Okanagan Lounge Chair! Imagine sipping a Pinot on the edge of an Okanagan vineyard, a beer or cider from one of the local cideries or craft breweries or planting yourself on the water's edge, watching fish jump or the eagle fly. The sun, the rugged mountains meeting the deep blue lake in the valley; this is the Okanagan. With the popularity of the JEM Lounge Chair, we decided to create a relaxed and curvaceous seat that has guests want to stay for hours. The Okanagan Lounge Chair brings a touch of tradition with a kiss of modern style, perfect for the relaxed vibe that is the Okanagan. Municipal grade design means it can handle all kinds of weather and the never-ending group selfie. Bolt-down design or freestanding, you can opt for the best choice for your application. To compliment the look, there is the option of an ottoman and side chair sold as a set or on its own, perfect for putting your feet up after a day at the beach or ski hill; we are, after all, the 'four seasons playground'. Choose from Wishbone's variety of colour options, you can go crazy, or you can go chill. Relaxing in the vineyard or by the lake or even on the ski hill, never looked so inviting.

\* Chair, Ottoman and Side Table are sold separately.
