| Weight | 15 lbs / 7 kg       |

## RECYCLED CONTENT

**0% RECYCLED CONTENT BY WEIGHT**  
**100% RECYCLABLE**

## DESIGNER NOTES

The Parker Bike Rack was created to complement two families of products that make use of curves and arcs: the Parker and the Modena. When not being used for its intended purpose, this piece becomes an intriguing piece of art. Seeking a balance between functionality and aesthetic appeal, this bike rack compromises only slightly on the ways in which a bike can be secured to either the frame or through the openings.

100% Canadian Made

Wishbone Ltd. provides an extended 10 year limited warranty from the date of invoice.
