

# PARKER BENCH AND TABLE COMBO

Model Number : PKB-6 | PKT-30

## DESIGNER NOTES

Take the benefits of a picnic table and redesign it as a bistro-height table companion to a park bench. The Parker Table is a multi-faceted way to engage with and support people in outdoor environments with a very minimal footprint. In fact, as family sizes getting smaller, it affords most of the benefits of a picnic table without the massive size. Enjoy a lunch for two, work on a laptop, take in the view, and rest your coffee or drink. The highly visible surface also means you won't leave anything behind! The Parker Table is also fully wheelchair accessible!
