Surface Mount

CUSTOMIZED SOLUTIONS

Custom Colours

(Setup Charges May Apply)

Custom Branding on the Cross Member

In-ground Mounting

INST-1 Stainless steel mounting kit for concrete

DESIGNER NOTES

The Pipeline bike rack is a simple yet familiar design that matches the design cues of the rest of the Pipeline Family of products. It especially works well where designers are trying to provide a consistent look and feel with other street furniture used in the same proximity.

There are three features making our Pipeline Bike Rack design unique. The first are the materials we use in its construction. Traditional steel bike racks tend to be heavy and not very corrosion resistant over time without galvanization.

Our new thick walled aluminum pipe design provides similar strength qualities to steel ensuring safe storage of the bikes while the light weight corrosion resistant aluminum ensures it looks great over years of service.

Second is that cross bar where the bike logo is located. It can be customized to meet a specific branding or labeling request from the client making it appear unique or different from others. And lastly, the design allows the user multiple locking opportunities to minimize risk of theft.

PRODUCT DIMENSIONS

Height	37 5/16 inches / 947 mm
Wall Thickness	2 inches / 51 mm
Width at the Top	24.5 inches / 622 mm
Width at the Base	15.5 inches / 394 mm
Weight	12 lbs / 5.4 kg

RECYCLED CONTENT

100% RECYCLABLE

100% Canadian Made

Wishbone Ltd. provides an extended 10 year limited warranty from the date of invoice.
