## DESIGNER NOTES

Inviting, stylish, and versatile describe the Skyline Double Seat Park Bench. The seats can be installed facing either direction making it customizable for any setting. The center seat section spanning the entire length adds to this minimalistic design. The repeating square leg and arm motif is both visually pleasing and functional. As with the rest of the Skyline series the lumber is raised slightly above the finished metal edges to enhance comfort while retaining a modern look.

## AVAILABLE RECYCLED PLASTIC LUMBER COLOURS
