DESIGNER NOTES

This rustic coffee table is designed to match our Mountain Classic Park Bench and create an indoor atmosphere in an outdoor application. The 100% recycled cast aluminum legs of the table are specifically made to match the profile of the leading edge of the bench design. Built-in corner features act as skate deterrents, while the all-plastic top is extremely sturdy and easy to clean. Easy to install, maintain, and fit replacement parts, this durable model is a great addition to a pair of benches or single seats.
