Weight	100 lbs / 45kg

RECYCLED CONTENT

100% RECYCLABLE

DESIGNER NOTES

This all-metal large capacity waste receptacle is the perfect complement to an outdoor setting. A city's logo or any other form of artwork can be CNC routed into the frame or graphically wrapped. The solid design with the limited access opening at the top restricts the size and type of garbage that can go inside. The convenient side door with an optional lock making this unit easy to empty and clean by the maintenance department.

100% Canadian Made

Wishbone Ltd. provides an extended 10 year limited warranty from the date of invoice.
